Dear Friends,

I take great pleasure in welcoming you to the first WAKO World Cup in Turkey. The recognition of the evolution of the Turkish open over the last five years, through the leadership of Mr Salim Kayici, President of Turkish Kickbong Federation and the growth and success of the Turkish federation are all positive influences to the adoption and board approval of the newest member of the WAKO World Cup series of events.

Istanbul is know as the gateway between Europe and Asia and I am sure the Turkish Open will bring a unique flavour to our annual calendar in the beautiful and diverse city of Istanbul. I look forward to seeing all your athletes, coaches and referees as we emerge pre covid, focusing on growing and developing our sport in the interest of our members.

See you soon

**Mr. Roy BAKER**  
President of WAKO IF

Dear WAKO Family,

I want to share some good news! The Turkish Open International Kickboxing Tournament is now a World Cup tournament!

The Turkish Open International Kickboxing World Cup has been given this honor by WAKO, whom we are proud members of both in our country and in the world, because of the number of participants, the viewership, and the quality of the tournament. For six years we have hosted the best athletes from all over the world. This year, 2022, we are going to host an even bigger tournament. We are planning on 10 rings and 10 tatamis according to participation. Great competition awaits you at the 7<sup>th</sup> Turkish Open Kickboxing World Cup!

Another piece of good news that I am excited to share with you, is that the 7<sup>th</sup> Turkish Open Kickboxing World Cup will be held in Istanbul! Yes, from May 12-15, 2022, all eyes will be on Istanbul, the only city in the world built on two continents, and a favorite of many! With 200 direct flights from various countries, Istanbul is an easy access point, and a place people love to visit because of its natural beauty, historical context, and cultural richness. Istanbul, “the meeting place of the world” will also be the meeting place of Kickboxers.

Istanbul is a UNESCO World Heritage Site, dating back some 8,500 years with an urban history of approximately 3,000 years. The Bosphorus, which has an air temperature of 20-25 degrees in May, is one of the most beautiful locations to watch the sunrise and sunset. You will go back in time in the old cities and enjoy the conveniences of the modern areas with rich shopping opportunities and great Turkish cuisine and hospitality. Don't miss out on this special opportunity!

I look forward to seeing you in Istanbul in May!

**Mr. Salim KAYICI**  
President of Turkish Kickboxing Federation  
Vice President of WAKO IF  
1<sup>st</sup> Vice President of WAKO Europe  
President of WAKO Mediterranean Kickboxing Federation
